## Riddle

**Question:** This year, 5768, is both a leap year (shana m'uberet) and a Shmitta year. Before the advent of the fixed calendar, it was not possible to have both of those occurrences in the same year according to most Rishonim. Do you know why?

Last Week's Riddle:

**Question:** "Ariel" is a common name in use today. What part of the Beit HaMikdash was called Ariel?

**Answer:** The Mizbeach. See Yechezkiel 43:15.

## FROM THE PRESIDENT

March 14, 2008

### SHABBATON

I am sure the entire congregation joins me in welcoming Bnai Akiva to our community this Shabbat for a Shabbaton. Our Bnai Akiva involvement has flourished under the leadership of Lital and Hadas. We thank them for all their hard work and we hope this will be an enjoyable weekend with us.

### PURIM UPDATE

Don't forget that reservations are needed to attend the shul Purim Chagiga. Please contact the Gilads if you plan to attend.

Please review the schedule included in this week's newsletter. We will be having 3 megilla readings at night and 3 in the morning. We will also have 3 readings of Parshat Zachor on Shabbat morning at the conclusion of krait hatorah at all three of our minyanim. There will be not additional readings in the afternoon.

### DINNER UPDATE

Responses are coming in well. We will need to "put the journal to bed" this weekend and we do not to do an addendum. Please drop off your ads

Saturday night if you have not already done so.

The planning for the dinner- AND RAFFLE- is in its final stages. The event promises to be fun for all those in attendance. Don't forget to bring checks for the raffle.

### BOLD FACED THANKS

We all owe a debt of gratitude to our resident locksmith Shmuel Herman. Shmuel is always there to repair doors and locks as they are needed. He was finally able to solve the problem of the front doors to the shul. The hardware on these doors has been replaced and when they are locked you will no longer be able to open them by just pulling hard enough. Please let your children know.

If you need to contact me please use my cell phone (201-403-6464) or email ([mark@zomick.com](mailto:mark@zomick.com)).
