Riddle

Question: The majority of lulavim imported into the United States come from what country? (Hint: Not Israel)?

Last Week's Riddle:

Question: Something highly unusual will occur on the first Shabbat of the new year 5766 (5 Tishrei/October 8, 2005) and on the last Shabbat of the year (23 Elul/September 16, 2006). Do you know what it is?

Answer: We will read Parshat Vayelech on both those days, or twice within the same year (it was not read at all during 5765).
