## Thank You

Thank you to Akiva Wolk for his hard work as Youth Director for the past two years. We wish him much success in the future.

## Youth News

We are pleased to announce 2 new Youth groups to be held in the Multipurpose room - Nursery and Toddler. The Nursery group is for children currently completing Nursery school. Ideally, parents should not stay with their children in this group but may do so while their child adjusts to the new environment. The Toddler group is for children under Nursery age. It is for parents and children and toys will be provided. Parents must supervise as there will not be a group leader. All children who have not attended Pre-K should be in the appropriate group and will no longer be allowed in the other group rooms. These rules are for the safety of our children and the success of the groups. Thank you in advance for helping to make this a smooth transition as we continue to expand our Youth Department.
