

FROM THE PRESIDENT

Rosh Hashanah

It has been a while...

New Shul Message Board

As anyone who has been in Shul recently knows, we have installed a new electronic bulletin board that can be seen from the outside of the building. What many of you may not know is the amount of work that went to installing it.

First we would like to thank **Roneet & Ari Merkin** for dedicating the Board in honor of their seven years in our community. Second, we would like to thank **Michael Wimpfheimer** for arranging for the purchase of the equipment and **Brian Major** for doing the technical work.

We would especially like to recognize the work of **Leslie Srolowitz**. Leslie has always tirelessly given his time to the Shul. Recently Leslie has spent a significant amount of time in the Shul handling the installation, additional electrical work as well as necessary repairs- including the emergency replacement of the Beit Medresh air condition. We are all grateful for his continued participation.

Yamim Noraim

The High Holidays are upon us. As I have done in the past years here is a list of the Ba'alei Tefilah:

Neilah	David Shapiro	Mark Zomick

We are grateful for their participation and preparation. Thanks also to **George Silfen** and the crew of gabbaim who will making sure all of the tefilot run smoothly. They

include **David Berger, Gary Steinmetz, Ari Nat and Jeff Sarasohn**.

We would once again like to thank **Sonya Solomon** for coordinating the babysitting for RH/YK.

And what would Rosh Hashanah be without the hard work of **Dr. Howie Mazin** who, despite his busy schedule saving newborns, manages to handle seating for the holidays.

As last year, we are (over) sold out. Please be considerate when coming and going (try to keep it to a minimum) and please be aware of where your children are and that they are not disturbing the "other" minyan. Also:

- Please note that during the tefilot, the back door to the Beit Medresh is for women ONLY.
- Please also note that "sticking your head" into the Beit Medresh to check what they are up to is disturbing to those davening there.
- If you happen to come late please enter the minyanim quietly so as not to disturb others tefilot.

We thank you for your cooperation.

Sukkot/Simchat Torah

Seriously, even though Rosh Hashana hasn't started yet we are looking toward Sukkot. As always we expect a larger than normal crowd as Sukkot in Teaneck has always been standing room only.

Plans for our Simchat Torah lunch are well under way. If you would like to sponsor or participate please contact **Ari Greene** or **Elie Y. Katz**.

Ketiva Vichatima Tovah.

As always I am available if you need to reach me. The best way is via email pres@yiot.org. You can also reach me via cell phone at 201-403-6464.
